DoubleDesk / GR00T conditioning / scratch / 4 GPUs
Update 200,000/200,000 | phase: complete | 2026-11-01T18:56:07.605807+00:00
Faint: sampled raw records; solid: trailing mean of 100 records (~1,000 updates); dashed: unfreezing

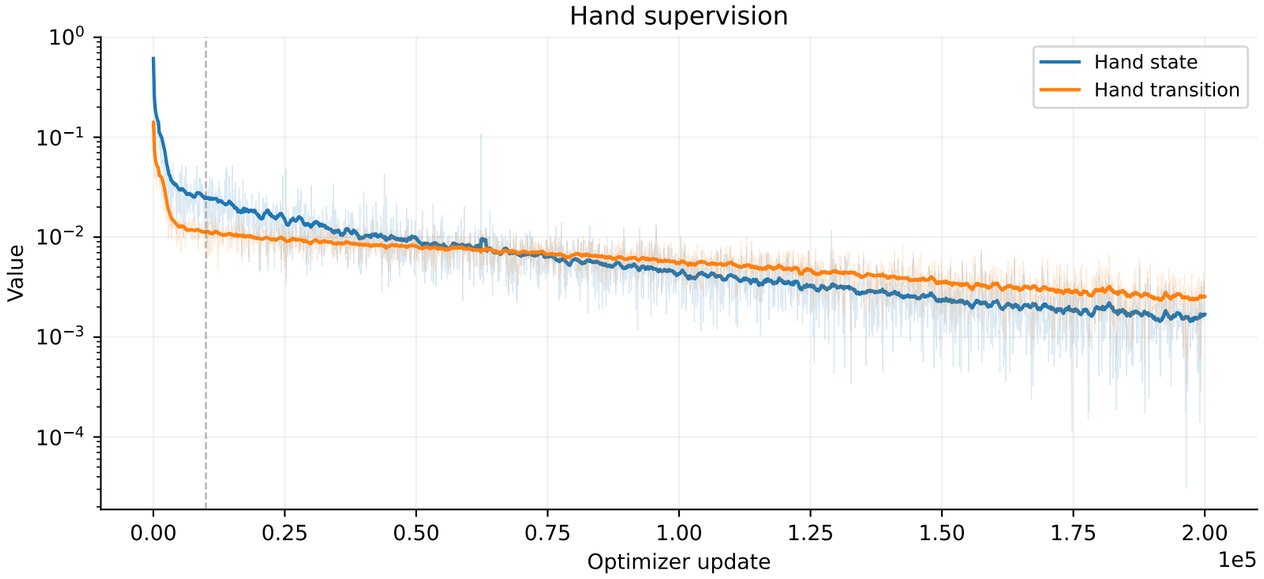

Training objective

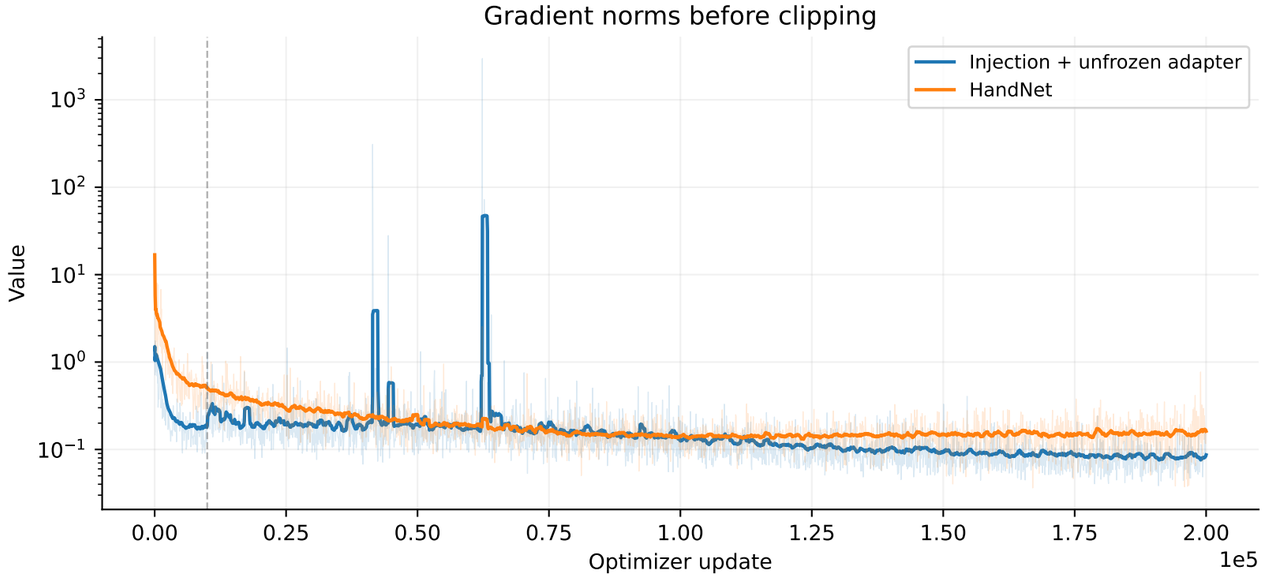

Future motion losses

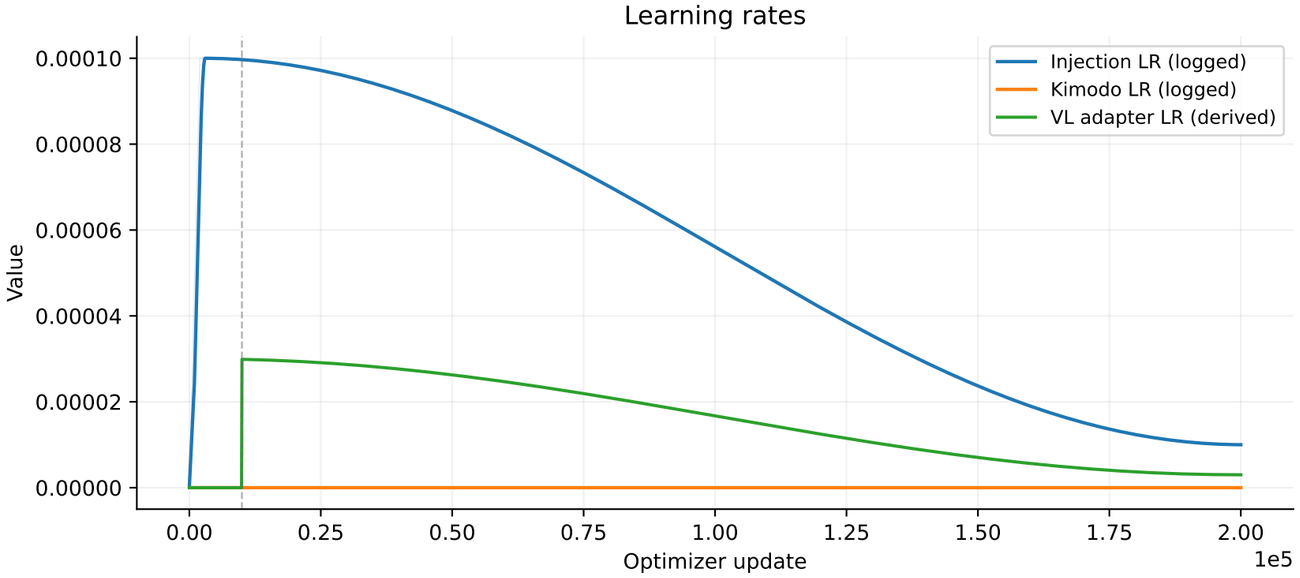

Hand supervision

Gradient norms before clipping

Learning rates

Training speed (includes periodic saves)

CUDA allocation high-water mark

Data loader wait
